Sweet, engaging fragrance with hints of sugared almonds, mango, fir honey: Fruity and creamy on the tongue, although analytically only 6 g/l residual sweetness and thus well in the dry range. Elegant, finely tart finish with another reminder of the fruit, a wine with a lot of future that should still be very nice after 6-8 years.

2019 Grüner Veltliner QbA dry 0,75l 24,00

In the nose hints of lemon juice, Williams pears, blossom honey. Strong, muscular body with a dry, vinous finish - unique in Baden - The first harvest of Veltliner from Schafberg and Eckerberg brought a spicy, slightly peppery wine. A well-developed, dry wine with a residual sugar of 2.9 g, which is characterized by its slightly fruity finish. A special permit had to be obtained from the Regional Council of Karlsruhe for the planting of the Veltliner vines. Limiting the yield has a decisive influence on the quality.
